QUESTION ANSWERED. Yes, August Flower still has the largest sale of any medicine in the civilized world. An Ancient Belief.

The ancients believed that rheumaism was the work of a demon within a man. Any one who has had an attack of sciatic or inflamatory rheumatism will agree that the infliction is demoniac enough to warrant the belief. It has never been claimed that Chamberlain's Pain Balm would cast out demons, but it will cure rheumatism, and hundreds bear testimony to the truth of this statement. One application relieves the pain, and this quick relief which it affords is alone worth many times its cost. For sale by all druggists.

J Q. Hood, Justice of the Peace, Crosby, Miss, makes the following statement: "I can certify that One Minute Cough Cure will de all that is claimed for it. My wife could not get her breath and the first dose of it relieved her It has also benefitted my whole family." It acts immediately and cares coughs, colds, croup, grippe, bronchitis, asthma and all throat and lung troubles.
